Motion To Dismiss Chapter 13 Bankruptcy Filing

I, Clarence B Callahan (Debtor), am requesting that the Bankruptcy Court will Dismiss my Chapter 13 Bankruptcy Filing. I am making this request due to a change in my circumstances that will not allow me to go forward with the Bankruptcy process. I am also making this request, because I am in the process of making other arrangements to retain the property that I originally intended to retain. I am hereby submitting this Motion To Dismiss Chapter 13 Bankruptcy Filing to the Court and to the Trustee (Angela M Scoltoro), along with a Certificate of Service, so that I may pursue alternative remedies for the property that is currently in my possession. Therefore, I am requesting that the Court will Dismiss the Chapter 13 Bankruptcy Filing, and that the Automatic Stay be lifted. Thank you in advance for your immediate attention to this matter.

Thank you in advance,

Clarence B Callahan
